Commitment to Truth and Reconciliation

In recognition of National Indigenous Peoples Day,

and in alignment with the CBE Education Plan,

Glendale School

acknowledges and supports the Truth and Reconciliation Commission of Canada's (TRC) Calls to Action, and makes the following commitment to action for the 2026-2027 school year:

In response to **Call to Action 63**, we commit to nurturing a school community grounded in Indigenous histories, cultures, perspectives, and ways of knowing. Building on our learning through the Blackfoot teachings of **Kakyosin** (noticing deeply) and **Iikakimat** (persevering with courage and hope), we will continue to learn on, with, and from the land, guided by relationships with Elders, Knowledge Keepers, Indigenous educators, and community. Through **Kimmapiiyipitssini** (caring, compassion, and giving kindness to others), we will focus on turning our learning into meaningful acts of care, connection, and respect for students, families, community, and the land.

Noticing → Persevering → Caring through action.
